WHOLE SCHOOL POLICY FOR SAFEGUARDING & CHILD PROTECTION

Ripley St Thomas Church of England Academy

The purpose of this safeguarding policy is to ensure every child who is a registered pupil at our school is safe and protected from harm. This means we will always work to:

- Protect children and young people at our school from maltreatment;
- Prevent impairment of our children's and young people's health or development;
- Ensure that children and young people at our school grow up in circumstances consistent with the provision of safe and effective care;
- Undertake that role so as to enable children at our school to have the best outcomes.

This policy will give clear direction to staff, volunteers, visitors and parents about expectations and our legal responsibility to safeguard and promote the welfare of all children at our school.

Our school fully recognises the contribution it can make to protect children from harm and to support and promote the welfare of all children who are registered pupils at our school.

This policy applies to all pupils, staff, parents, governors, volunteers and visitors.

This policy should be read in conjunction with the School's policies and Safeguarding documents.

- DSL/DDSLs understand when it is appropriate to make a referral to the Channel Panel

Child Sexual Exploitation (CSE) involves exploitative situations, contexts and relationships where young people may receive something (e.g. food, accommodation, drugs, alcohol, gifts or simply affection) as a result of engaging in sexual activities. The perpetrator will not only groom the victim (possibly over a long period of time) but will always hold some kind of power which increases as the exploitative relationship develops. Sexual exploitation involves a degree of coercion, intimidation or enticement, including unwanted pressures from peers to have sex, sexual bullying including on line bullying (cyberbullying) and grooming. It is important to recognise that some young people who are being sexually exploited do not exhibit any external signs of this abuse.

- The school curriculum (whereby sexual relationships/PSHE is delivered) will include relevant information around the risks associated with CSE
- The Ripley Online Safety Policy will ensure the safety of children by ensuring they cannot access inappropriate material when using the internet and that suitable filtering software is in place

Honour Based Violence (HBV) 'A crime or incident, which has or may have been committed, to protect or defend the honour of the family and/or community'. (ACPO Working Definition 2008) ALL staff and volunteers will have a general understanding of how to identify a child who may be at risk of Honour Based Violence.

Forced Marriage is one whereby one or both parties do not consent to marriage but are forced to do so through violence, threats or any form of coercion. Schools play an important role in safeguarding children from being forced to marry.

Female Genital Mutilation (FGM) is encompassed within the term Honour Based Violence

- ALL staff and volunteers are aware of the "one chance rule" and will report all cases of suspected Honour Based Violence to the DSL immediately
- FGM is illegal in the UK and a form of child abuse with long-lasting harmful consequences
- ALL staff need to be alert to the possibility of when a female pupil may be at risk of FGM or when it may have been conducted on them
- Whilst all staff should speak to the designated safeguarding lead (or deputy) with regard to any concerns about female genital mutilation (FGM), there is a specific **legal** duty on **teachers**. If a **teacher**, in the course of their work in the profession, discovers that an act of FGM appears to have been carried out on a girl under the age of 18, the teacher **must** report this to the police.

Modern Slavery The Modern Slavery Act 2015 places a new statutory duty on public authorities, including schools, to notify the National Crime Agency (NCA) (section 52 of the Act) on observing signs or receiving intelligence relating to modern slavery. The public authority (including schools) bears this obligation where it has 'reasonable grounds to believe that a person may be a victim of slavery or human trafficking'.

- Staff must be aware of the above and contact the DSL should they suspect or receive information that either parents or their children may be victims of modern slavery. The DSL should then contact the NCA

Peer on Peer Abuse occurs when a young person is exploited, bullied and / or harmed by their peers who are the same or similar age; everyone directly involved in peer on peer abuse is under the age of 18.

This is most likely to include, but may not be limited to:

- bullying (including cyberbullying);

 - sexual violence and sexual harassment;

 - Physical abuse between peers will be managed under Ripley's Behaviour for Learning Policy

 - Harmful sexual behaviour will be identified and managed using the [Brook Traffic Light Tool](#) and with support and guidance from LCC Schools Safeguarding Officer

 - Referrals to Children's Social Care, Police and/or other appropriate agencies will be made where thresholds are met
 - DSLs understand that regarding peer on peer abuse, the victim and the perpetrator are likely to have unmet needs and require support and assessment to determine these.
 - The DSL will assess on a case-by-case basis, supported by children's social care and the police if required to ensure the most appropriate response for the children / young people involved.
 - The DSL will consider:
 - the wishes of the victim in terms of how they want to proceed
 - the nature of the alleged incident
 - the ages of the children involved
 - the development stages of the children involved
 - any power imbalance between the children
 - is the incident a one-off or a sustained pattern of abuse
 - are there ongoing risks to the victim, other children, Ripley staff

- contextual safeguarding issues
- Following a report of sexual violence, the designated safeguarding lead (or deputy) will make an immediate risk and needs assessment, considering:
 - the victim
 - the alleged perpetrator
 - all other children (and if appropriate adult students and staff).
- Risk assessments will be recorded and kept under review as a minimum termly.

Children Missing from Education can be a potential sign of abuse or neglect including sexual exploitation, undergoing female genital mutilation, forced marriage or travelling to conflict zones.

- ALL staff and volunteers follow school procedures when a child misses education particularly on repeat occasions to help identify the risk of abuse and neglect
- The Ripley Attendance Policy is up to date, reviewed annually and includes reference to CME
- There is an a Ripley Admissions policy and an attendance register
- The Local Authority is informed of any pupil who fails to attend school regularly, or has been absent without the schools permission for a continuous period of 10 school days or more
- **Where reasonably possible** Ripley holds more than one emergency contact number for their pupils and students.
- All staff will be aware that children going missing from education can be a warning sign of safeguarding considerations and act on these in line with the policy

Other vulnerable categories

- All staff will have read Annex A of Keeping Children Safe in Education and be aware of specific forms of abuse and safeguarding issues and vulnerable groups of children including;
- Children in the Court system;
- Children with family members in prison
- Child Criminal Exploitation (County Lines)

SAFEGUARDING AND CHILD PROTECTION

TAKING ACTION ON CHILD WELFARE/PROTECTION CONCERNS IN SCHOOL

Concern, Disclosure or Suspicion

Physical, Emotional, Sexual Abuse or Neglect, Fabricated or Induced Illness, Honour-based violence, **or** you just have a sense that something isn't quite right.

Do make a note of your concerns and liaise with the Designated Safeguarding Lead (DSL) in school as soon as possible and always before the end of that school day

Do not do nothing, 'investigate', 'diagnose', prompt, probe or lead the child, try and sort it out yourself, breach confidentiality, worry about being 'wrong' and / or 'bothering' senior staff.

Note: ANYONE CAN MAKE A REFERRAL
