Dear Parent/Guardian

Year 10 June internal examinations

Overleaf is the schedule for the Year 10 internal examinations. A personalised timetable with seating designation will be given to your child in due course. It may be worthwhile going through this timetable with your child to ensure he/she knows how important revision is to his/her future success. This letter is also available to print from the school website.

The examinations start on Wednesday 19th June and will be completed by Friday 28th June (excluding MFL speaking exams). Your child's subject teachers will begin to set revision as homework from now until the examination period. The examinations will be conducted as formal GCSE examinations and the same standards of behaviour are applied to these internal examinations to prepare pupils fully.

Pupils will attend school as normal during the examinations – when not taking an examination they will be in their usual classes. Because some examinations begin promptly during morning registration it is essential your child is not late for school. Pupils must attend in their correct uniform. In the unlikely event that a pupil does not observe proper uniform or behaviour in the examination halls or rooms this will be dealt with severely, as you would expect.

I trust you will encourage your child to revise thoroughly and reinforce the importance of appropriate uniform and conduct in examinations.

Yours sincerely
